Both_pos
GO Biological Process
tissue remodeling
neuron projection morphogenesis
plasma membrane bounded cell projection morphogenesis
cell projection morphogenesis
axon development
axonogenesis
cell morphogenesis involved in neuron differentiation
negative regulation of neurogenesis
negative regulation of nervous system development
trans−synaptic signaling, modulating synaptic transmission
axon guidance
respiratory electron transport chain
electron transport chain
ATP synthesis coupled electron transport
mitochondrial ATP synthesis coupled electron transport
aerobic electron transport chain
oxidative phosphorylation
cellular respiration
aerobic respiration
proton transmembrane transport
energy derivation by oxidation of organic compounds
